

COMMUNITY POLICY

This policy applies to Metarock Group Limited and all its related subsidiaries.

Our Aim

The Metarock Group conducts business operations in a variety of community locations. The Metarock Group and its employees aim to develop and nurture positive relationships built on mutual understanding and respect.

Our Commitment

Our commitment, as our interest and activities grow in the communities in which we operate, is to:

- Encourage and support community development;
- Foster initiatives that enhance social benefits such as the environment, health and education; and
- Behave in a manner that reflects the professionalism at all times.

Our Actions

We will deliver on our commitment by:

- Sponsoring worthy community associations and activities.
- Encouraging our employees to provide volunteer support to community events and programs.
- Driving safely.
- Behaving ethically and responsibly.
- Abiding by the rules at the accommodation facilities in which we reside.
- Always being respectful and polite to others.
